

# A GUIDE TO: SURVIVING THE SUMMER WITH KIDS

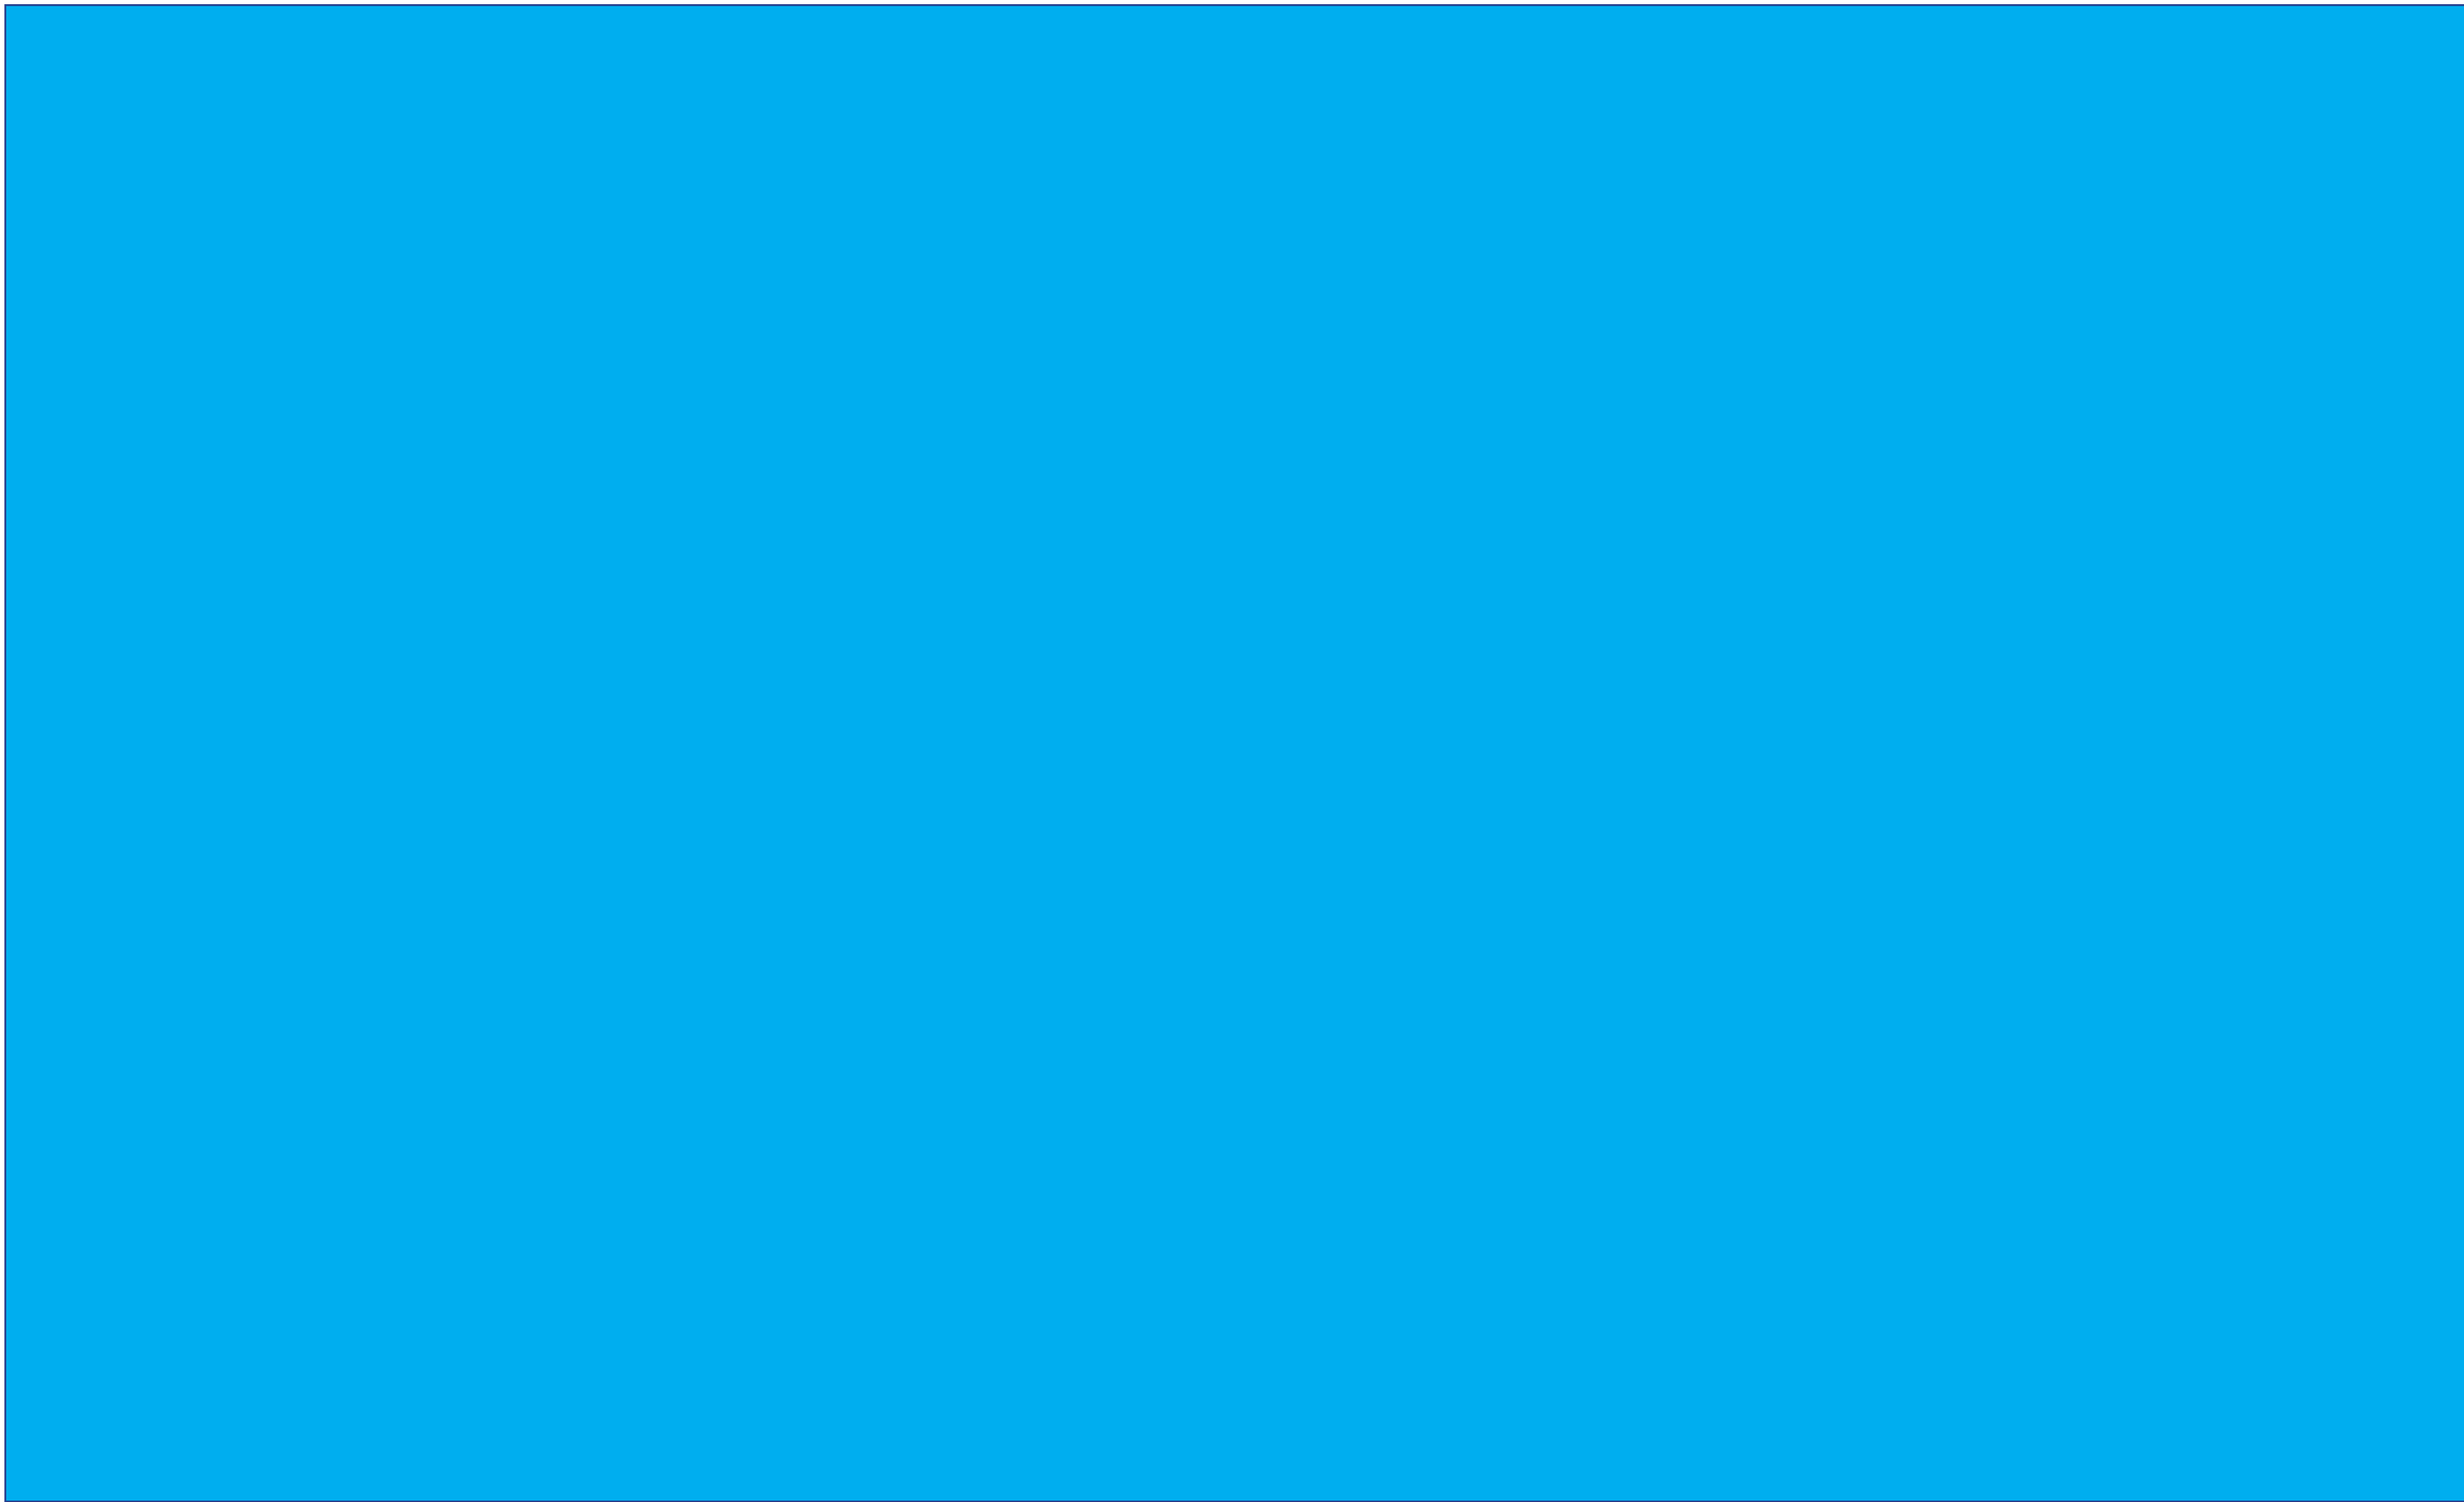

---

## Things to do

some point in  
time

The first black boxes will be live streams of events happening in new york city

Use will be able to specify a time and then the blue boxes with change to display some event haappening on that day

Once clicked on it will take them to a page where they can see photos from last years event (if there was a past event) date time place and description (light blue box is a picture/video)

There will also be a comment section where eople can review the event and share stories and maybe a sec-tion just for kids to review it!
