

# What is Narrative?

What is the difference between “having” a narrative and “being” a narrative?

Time Perception

Linear versus Spacial

# Illusions

Illusion of time

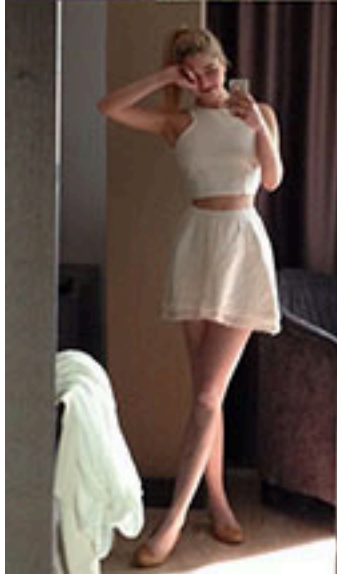

illusion- curation --Point of View (subjectivity/  
bias) ex. history

Are narratives ever objective?

# Designing Narrative

[https://www.youtube.com/  
watch?v=qZMX6H6YY1M](https://www.youtube.com/watch?v=qZMX6H6YY1M)

How do we design narrative?

Are we designing personal narratives through social media everyday?

Can designing narratives become a problem?

What makes something a narrative?

What is the line between having narrative content versus pure form?

Is there a definitive form each narrative?
